SPANISH COURSE FOR TEACHERS OF SPANISH AS A FOREIGN LANGUAGE

This course is intended for Teachers of Spanish as a second language (ELE), non-native speakers that wish to improve, expand and refresh their knowledge and skills in the teaching of the Spanish language and culture.

Erasmus +

With the Cervantes Escuela Internacional Pic-Number: 942940687 you can access the Spanish as a Foreign Language course directly from your Erasmus scholarship.

If you are an ELE teacher, at CEI we want to help you to continue improving and to feel the excitement of teaching Spanish with new skills and resources.

With this course you will acquire **new language and teaching skills** which are easily applied in your own classrooms. We draw from a range of content and analyze it from different points of view.

The **instructional design** instructional design has its principal focus on interaction within a vision of the classroom as a space for learning in a community. A space in which to work with the identity and completeness of the Spanish teacher from three levels: cognitive dimension, emotional dimension, and physical dimension.

The theoretical principles and practical experience guarantee that the teacher will be brought up-to-date in line with the skills and knowledge applied in the classroom that the teaching of Spanish needs within a European, transnational, and intercultural context and in accordance with the needs of the education sector in the 21st century.

Our vision of Spanish language teaching is supported by and pays special attention to the use of different educational materials, both physical and digital in nature. It is a multi-device course that encourages your own learning through discovery via audiovisual, online, and audio resources, games, photocopiable material, and more.

We know that you are the best teacher, which is why our attention is personalized and adapts to your interests and needs at all times.
